to Fight a Duel.

S. Wise, whose reported from the Southern Society on of a quarrel with William Ran-fellow-member, created so much in club circles recently, has re-

goralp in club circles recently, has re-turned from abroad.
He says he read the stories in the papers while he was away, but that the whole thing is a tempest in a teapot, that he had good reasons for recigning, and that he does not care to discuss them now, He denies that the lie passed between himself and Mr. Randolpi, and declares that there is no reason why the quarrel should go any further. He cer-tainly has no intention of rushing if.
"It must be well known by this time," says Mr. Wise, "that nothing on earth would induce me to fight a diet."

# FLAMES ON A TUGBOAT.

The Oliver Arnold's Upper Works

some unknown cause shortly before 5 o'clock this morning.

Fireman Johnson and Deckhand Auderson were sleeping aboard. They were awakened by the smoke, and climbed on to a lumber-laden schooner of the Old Dominion Steamship Company, lying alongside of the tug.

The watchman on the dock sounded a fire alarm, but before the flames could be extinguished the tug's upper works were all gone.

The tug was valued at \$7,000. Capt.

Day placed the damage at \$2,000.

# PIGS IN A PANIC.

There was a little excitement on Randall's Island at an early hour this morning. It was baused by a fire which broke out in the pig sity, a one-story structure near the lying-in hospital.

The pigs escaped and roamed all over the Island. The piggery was destroyed. The damage was about \$150.

Employees on the Island put in a few hours corralling the pigs.

Concert of the Misurgia.

The second private concert of the Misurgia, which was given last evening at Musie Hall before a brilliant and fashionable audience, taylong attention to Jennic, who returned his payer giver evidence of the remarkable and the much to the disgust of her inthe figure to much to the disgust of her inthe figure of the remarkable. gave very clear evidence of the remarkable progress which the Club is making under the conductorship of Frank Damrosch. The first concert this season showed a vast improve-bent over any of the work previously done by the male chorus, and last evening's per-sermance was certainly most creditable to the Society and to its able conductor.

tered by the Servia.

The Tauric is a new twin screw steamer, and has on board a number of valuable race in horses sent by Col. John T. North, the "Nirite King."

Among the racers, it is reported, are El Diadio, Iddesleigh, High Commissioner, Arturo and Hough and Idealy.

Schoenfeld's chestnat golding Somersault is probably one of the horses.

The Tauric has on board a valuable hackney stalion consigned to J. J. Ringrose, South Machesier, Conn.; a buil-terrier to B. S. Beilin, Albany; a buil-terrier to B. S. Beilin, Albany; a buil-terrier to R. Tabb, of this city; thirty-one prize sheep to tered by the Servia.

# FRIGHTENED THE SAILORS.

Capt. McIntosh Tells of a Freak of

the Moon. Capt. McIntosii, of the steamer Orizaba, which has arrived from Havana, reports a singular phenomenon in the heavens Jap. 24. 'He said that at 7 o'clock, the weather being fine and the atmosphere clear and free of all clouds and yapor, a display of beautiful colors was seen around the moon.

Soon they arranged themselves into all the hues and took the shape of circles. They formed like a rainbow and then the colors seemed to dance about from ring to ring.

The strange sight continued for two hours. Some of the seamen said it portended some great uphcaval of nature and tecame frightened. in a Boulevard at Nice.
